

RCG fxtrader[®] Spot Gold

Spot Commodity Trading

Spot Gold is the first in a new range of spot tradable commodities that are ideal for both long and short-term speculative investing.

- Trade Spot Gold versus US Dollar, Euro, Japanese Yen, Australian Dollar and Hong Kong Dollar
- Spot Gold is available for live trading 24 hours / day

Spot Commodities allow you to short sell as easily as taking a long position and can also be traded by Market, Limit and Stop orders.

Margin Requirements

The margin requirement for Spot Gold is 2% of the trade value in collateral during weekdays and 4% over weekends.

Spot Gold	Target Spread	First \$25K Margin	Normal Margin	Max Trade (troy oz)	Ticket Fee Threshold (troy oz)
